

Hi there,

Here is a general stage plot for my show when using a trio...

If possible, please supply:

1 X CORDLESS MIC (center stage)

2 STRAIGHT MIC STANDS

1 X BOOM MIC STAND at the PIANO (with a clip for Cordless Mic)

1 x SPARE MIC (as a back up)

2 X D.I. BOXES at center stage for my GUITAR and my LOOP MACHINE (for vocal harmony loops).

1 X STOOL (Next to piano)

Please provide reverb in the monitors, as well as front-of-house.

If you have any questions, it's probably best to email me:

Or please call me on 1-347-204-2803
