

The 77 EXPERIENCE

Introducing “The 77 Experience” – a remarkable band that immerses you in the vibrant soundscape of 1977. While their foundation is built on rock, their versatility knows no bounds as they skillfully mix various genres. With a deep appreciation for the music of the era, they flawlessly recreate the iconic hits that defined 1977.

But that’s not all – their performances are a true spectacle! Throughout the show, they infuse nostalgia by showcasing different segments of amusing commercials, movie trailers,

legendary Johnny Carson moments, hilarious Saturday Night Live skits, newsworthy events, and pop culture happenings from 1977. All via video projection for the audience to enjoy.

The 6 seasoned members of this Nashville Tn based outfit, come from numerous professional musical endeavors. Including, Studio and Session work, producing, engineering, touring, performing, song and jingle writing, and teaching. Join us for an unparalleled musical adventure, as we pay homage to the vibrant and diverse musical landscape of 1977. (The 77 Experience) is more than just a band- it’s a journey through time, where music, laughter, and memories converge.
