

JOSH YOUNG & EMILY PADGETT

Valjean, Cosette a string quartet.

Join Tony Award Nominee Josh Young and his wife, Broadway Star Emily Padgett, as they celebrate the decade that gave us Les Miserables, Phantom of The Opera, and Cats - the decade where Stephen Sondheim and Sir Andrew Lloyd Webber reached the pinnacle of their creative mastery: the 1980's.

The lush music of the decade is presented with the beauty and majesty that only strings can produce accompanied by the sweet percussive harmonics of a piano and signature, award-winning vocals.
